**Grace Griffith** is undeniably an icon in the Washington, D.C. area. Her career has contributed to happy memories for so many of us: from her magical performances with the seminal band “The Hags”, through subsequent evolutions with various partners; Hazelwood; Connemara; Irish Fire; to her soaring solo work with current musical cohorts Jody Marshall, Carey Creed, Dave Abe and Paul Nahay.

Tonight is a celebration of all of these and more: the sum total of the talents, warmth and determination of a woman aptly named Grace. She’s joined at the release of her new CD by producers Chris Biondo and Lenny Williams (formerly of Eva Cassidy’s band) on hand at the keyboard and bass, Al Petteway, Marshall, Creed, Abe and Nahay. Susan Graham White, the award winning singer/songwriter and her Hazelwood partner will be making a rare guest appearance as well.
